

Peggy's

Moving Moments

Peggy has her fingers on the pulse of every project here at C•move. Here are some of her DOs, Don'ts and Don't-Even-Think-About-it insights to get you moving in the right direction.

- Purge
- File and archive
- Clean out
- Declutter

Prior to Move Day

The Wrong Way

(Obviously!!!)

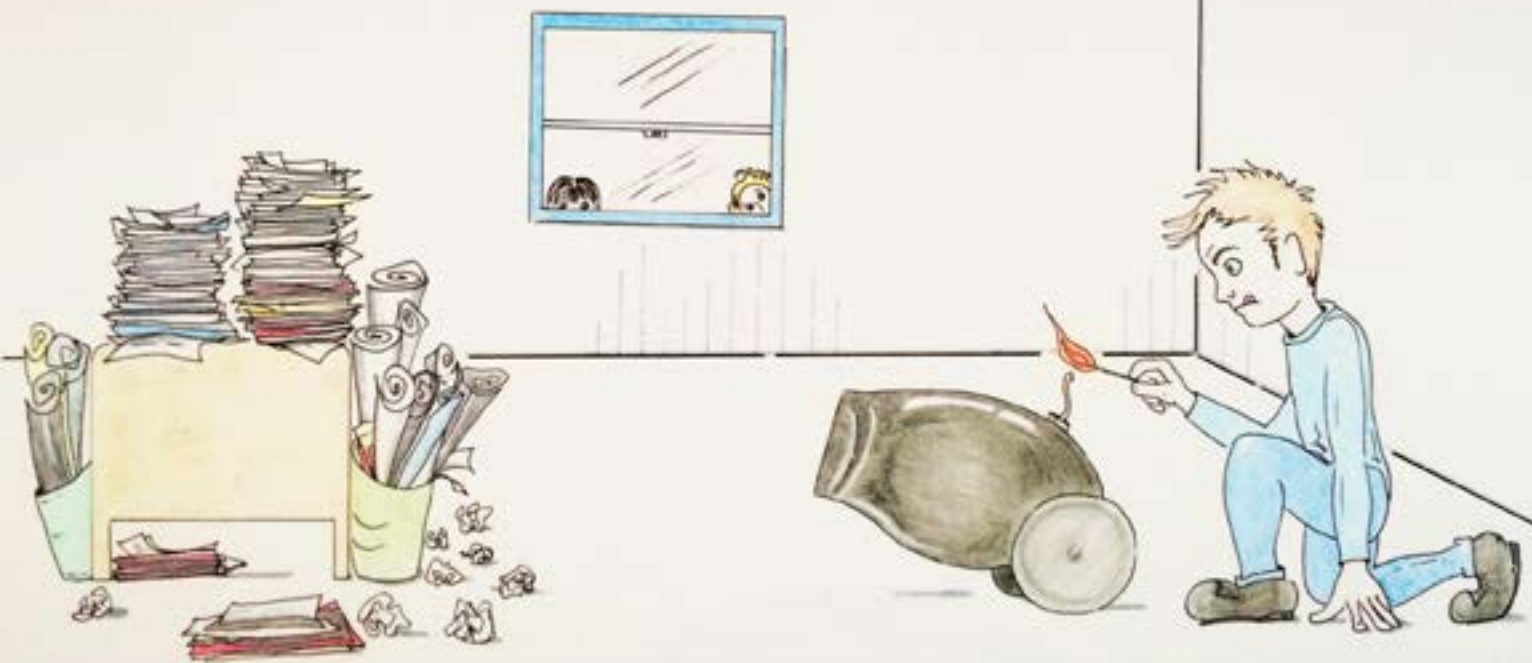

The Right Way

The Race is On!

**Blowing up the office is
not considered “archiving”!**

Don't let your trash get away from you.

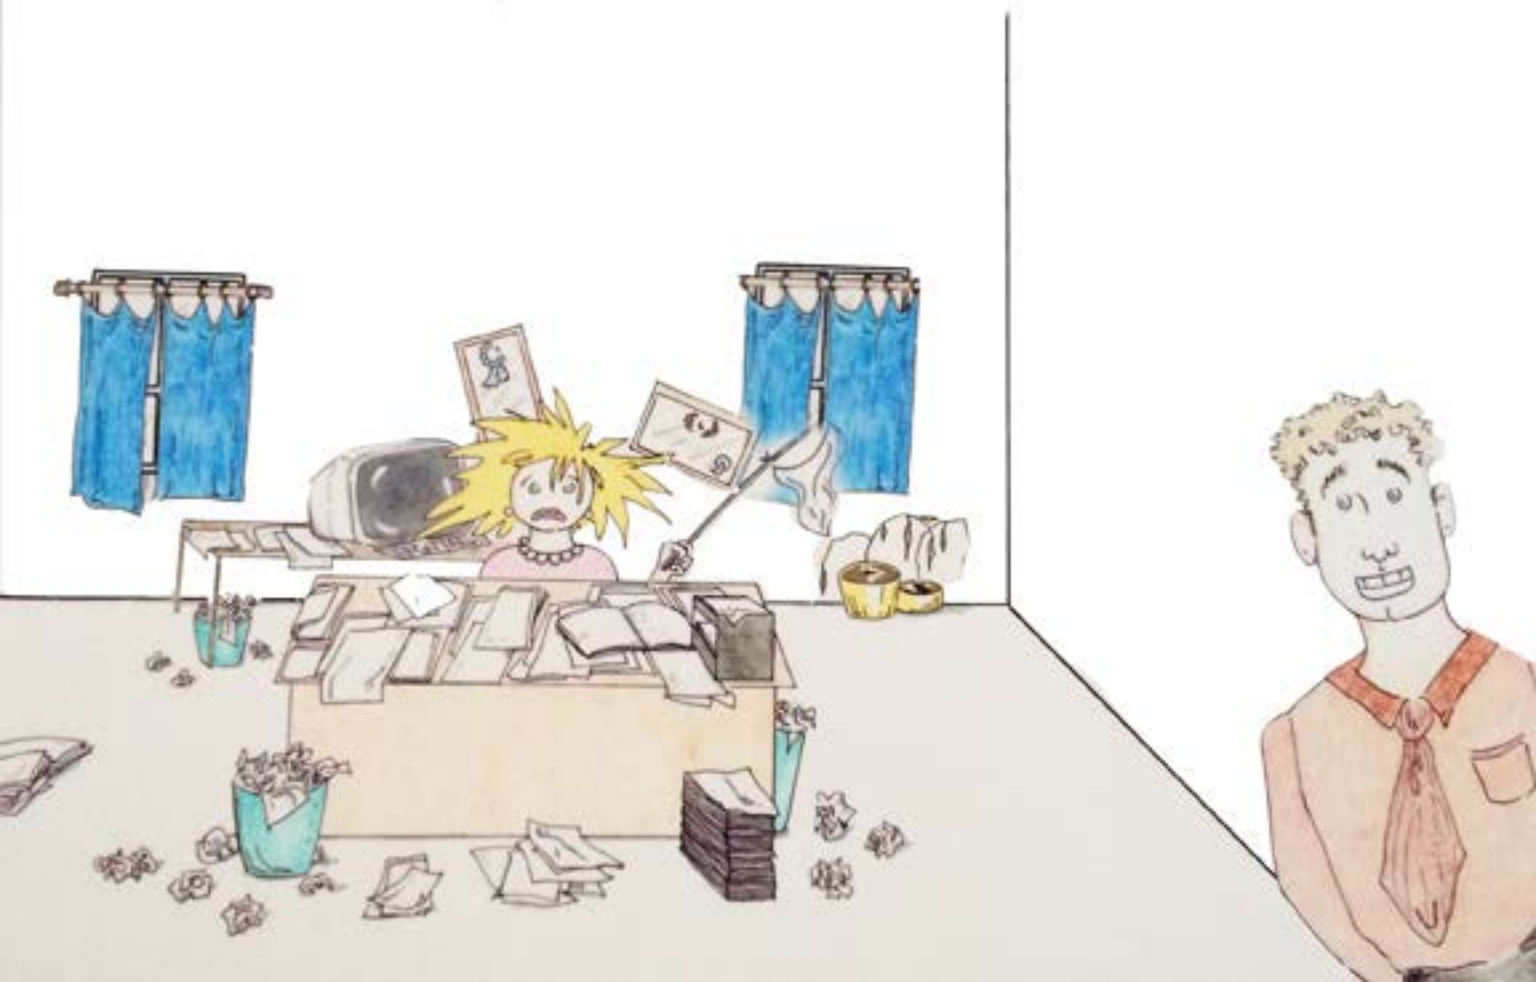

**Your grandma doesn't work here.
You made the mess,
you clean the mess!**

Don't let it come to this!

Don't give up...

...you'll get there!

**"No, Fred, that was NOT part of the
Safety Protocol!!!"**

Hard work pays off!
